## GIS – Geographic Information System

### One month online training program

Applications are invited for one month online training program on GIS – Geographic Information System. As GIS and Remote Sensing has become vital tools in today’s world with applications in almost every sector, Tehkeek International is intended to train students, scholars, academicians and industrialists for these skills.

#### You will learn:

- Introduction to GIS.
- Application of GIS in different Sectors.
- Data Acquisition and Management.
- Spatial Analysis, Map Making and Visualization.
- Remote sensing Integration.
- GIS Software Proficiency and many more.
- Mini Project work.

#### Duration & Mode of the Training:

- The training duration is one month, consisting of 15 lectures/practical’s held on alternative days. Additionally, participants will engage in a mini-project under the guidance of the consultant. The training will be conducted through online/hybrid mode, with an option for participants to join onsite or schedule personal consultations with the training consultant based on need. The mini project will align with the interests and specializations of the candidates. The Training will start on **May 1, 2024** and the online lectures will take place in the evenings from **7:30 pm to 8:30 pm (IST)**.

#### Application & Selection process:

- The applicants can register via the google link <https://forms.gle/uAvBbFWvhVE3jws29> or can also mail their interest to [tehkeekinternational@gmail.com](mailto:tehkeekinternational@gmail.com) with GIS Training in the subject title. The application link will be also available at Tehkeek International Social media platforms and Website. The deadline for applications is **April 25, 2024** and for final registration to selected applicants is **April 30, 2024**.
- The total intake for this training program is 20. The candidate’s will be selected based on the screening of applications which include subject specializations and purpose of the training.

#### Training fee:

**Note:** The fee is applicable only after the selection of the applicant for this Training Program.

- 1) Employees/Entrepreneurs (Govt./Private): **2500 (INR)**
- 2) Scholars/Doctorates **2000 (INR)**
- 3) Students **1500 (INR)**
