We are currently seeking motivated intern students who are eager to enhance their communication and vocal skills. The internship will be conducted under the theme “Remote Communication and Collaboration Intern.” The roles, responsibilities, and eligibility criteria are outlined below:

Roles and Responsibilities

- The candidate will work remotely, preferably evenings.
- The candidate will engage in Conducting online meetings and discussions and mini-research.

Eligibility:

- Bachelor's degree or higher in any Science or Engineering discipline.
- Must have access to a working laptop and a stable internet connection.
- Prior experience with social media platforms is preferred.

Duration:

- The internship is for 3 months.

Remuneration:

- This is an **unpaid internship**, however, candidates from financially weaker backgrounds may be considered for **timely remuneration**, subject to need.

Registration:

The candidates are advised to submit their updated resume with the title “Application for internship” via email at tehkeekinternational@gmail.com by or before **26 April 2025**.

About Tehkeek International:

Tehkeek International is a registered non-governmental organization dedicated to societal empowerment in Jammu and Kashmir through research and educational policies. Our mission is to bridge the gap between students and mentors/industrialists through various innovative initiatives. Our key intended focus include: **Science for Society, Scientific Schooling, Environmental Crisis and Mitigation, White Villages, Guidance and Counselling**. We also lead efforts to empower families in Jammu and Kashmir through innovative parent education methods that help bridge communication gaps between parents and children. To learn more about us, please visit our official website at www.tehkeekinternational.org or check out our social media platforms.
